

LA PAVONI

La Pavoni "EXPO" Chrome/Gold

22 KT. GOLD

The EXPO is beautifully hand-crafted and features a Stradivari base and coffee group.

The coffee handle, lever arm and sight glass fitting are plated in 22kt gold. Additional features include 2 frothing systems, a standard plated steam wand and a cappuccino automatic attachment.

Machined rosewood handles, steam knob and boiler knob. This is the larger 38 oz. professional boiler. Comes standard with 2 stainless coffee baskets and a bottomless portafilter in addition to the double filter holder! Tamper and plastic press included.

A beautiful gold mounted eagle cap finishes the elegant styling.
